

# HERE YOU LIE(SIDE BY SIDE)

SSA and PIANO Version

This has been in part inspired by the words of M. Kemal Atatürk (Founder of the Turkish Republic in 1923) which are on the ANZAC Memorial at Gallipoli. Atatürk fought at Gallipoli. "Those heroes that shed their blood and lost their lives... You are now lying in the soil of a friendly country. Therefore, rest in peace. There is no difference between the Johnnies and the Mehmets to us where they lie side by side, here in this country of ours. You, the mothers, who sent their sons from far away countries....wipe away your tears. Your sons are now lying in our bosom and are in peace. After having lost their lives on this land, they have become our sons as well."
